Headteacher's Message

Good afternoon, welcome to the Spring term at Northgate. I hope you had somewhat of a relaxing holiday and are keeping well. Yes, the term hasn't started the way we thought, but we must keep smiling and look forward to summer sunshine. I want thank all of the parents for trying so hard to adapt to the new way of learning. The staff have been amazing to adjust to the changes and learn a completely different way of teaching. I know it isn't easy for everyone, but we are doing our best, and we are here to help, as well. *As well as in school, attendance will be monitored very closely for home learning. If you are having any difficulties, please let us know.* Thank you also to the office staff who have gone through a minefield this week to support everyone, including me!

We are trying hard to acquire more laptops, as the school was only given 15, which for our size, is definitely not enough.

Our keyworker bubbles are pretty much full and we would love to have more children in, however it is making sure we are keeping everyone safe and we are doing our best to follow the guidance and our risk assessment.

All the best.
